

PCB Manufacturing Process

Process	Detail Process	Configuration	From	To	Cross Section	Process Description	Machine
						,	Shearing M/C
	Trim					BUR	Sand paper Trimming M/C
Drill	Stacking					2	AutostackingM/C Pin
	Drilling					CNC data ,drill bit tool data hole 가	Drill M/C Drill bit Color ring Tool data DNC
	Deburring, Horning					drill 가 hole hole chip ,	brush
						hole	line Rack
Photo	Polishing, Brushing					dry film brush ()	brush
	Dry film Coating					dry film	dry film laminator dry film knife cut
						photo tool guide ,	photo film

PSR	psr tool					(guide pin)	psr flim
						(pad) (Na2CO3)	
	Marking					symbol , , screen	
HAL	(Flux)					hal flux hole flux	hal flux
	HAL					ink	hal M/C (Pb/Sn)
						flux	HAL
가						가	M/C bit
가						trimming	cutter
	V - Cut					가 hole 가	v - cut M/C v - cutter
	B.B.T(Bare Board Test)						B.B.T M/C B.B.T jig Jig pin
